EMPHASIS OF CAMP

The Pioneer Basketball School is the premier youth basketball day camp in Northeast Ohio. The camp will be held on the historic campus of Western Reserve Academy in Hudson, Ohio. Our basketball school is committed to teaching young boys the fundamentals of basketball using the drills, players and coaches from Western Reserve Academy. We are different from other camps because we use high school coaches and players, as well as having a college coach lecture on a basketball topic during the week. Please check out our website at www.pioneerbasketballschoo.com for more information about our camp as well as registering to participate. If you have any questions please don't hesitate to contact Camp Director Joshua Humphrey at josh@pioneerbasketballschoo.com.
